

don't become a **victim**.

**Calm. Concise. Explicit. Self-Defense That Works.**

While safety traditionalists teach warnings, fear and rules, Survive Institute teaches **Courage, Rights** and **3 Choices** that will empower individuals to *save their own life* at work or home!

If asked, many people are likely to admit having no specific ideas of what to do if attacked, especially if their assailant(s) is enraged and armed.

It's time to replace the anxiety-filled "Hope Plan" (*I hope nothing happens!*) with courage-based "I CAN Plan" (*I can save myself and others!*)
