**RESIDENTS TO ADDRESS COUNCIL:** Mrs. Katherine Stautberg of 314 Rugby Avenue addressed Council to suggest that Council consider implementing a curfew for minors in Terrace Park. She reported that communities such as Newtown, Madeira, Milford, Anderson Township and Fairfax have curfew legislation and she believes this would be a deterrent to kids being out late at night and possibly getting into trouble. She also believes a curfew would be a tool for parents. Katherine would like Council to discuss a curfew due to recent vandalism in the Village by youth and the popularity of the “ding dong ditch” game. Council member Holly Purcell, who chairs the Safety Committee, asked Katherine what type of curfew does she suggest? Katherine responded that, by law, new drivers must be off the streets by midnight so she would suggest a midnight curfew for 16-17 year olds and possibly an 11:00 p.m. curfew for children under fifteen. Mr. Tepe responded that he believes this is a parenting issue and he questions whether Council should “legislate good parenting”. Chief Hayhow suggested that Council organize a Safety Committee meeting to discuss a curfew. Residents would be invited to this meeting to voice their support or opposition to this possible legislation. Katherine thanked Council for their consideration of this issue. End of report.
